To whom it may concern

I had the pleasure of teaching Mogamat Muneeb Davids at Voortrekker High School. He is dedicated to his schoolwork. He is an insightful, sensitive to others and deeply self-aware individual driven to explore his understanding of knowledge.

Throughout his high school career, he took active part in discussions and always supported his peers. He was also part of the school learner's leadership team.

I am certain that Muneeb is going to continue to do great things in his future. I highly recommend him for admission to any position. He is truly a stand-out individual who will impress everyone he meets.

Sincerely,

Mrs S. Damon
